Many, many hours of preparation goes into creating an ice show for our skaters. Our success relies on the many volunteers that assist us in a variety of ways from ticket sales, helping with costumes, tying skates in dressing rooms, and so much else in between. If you are able to help, please complete the volunteer portion of the participation form that is included in this email. Also check our volunteer signup sheets on the WFSC bulletin board. Your involvement is welcomed and appreciated.

Do you own a business? Do you work for a business that may be looking for advertising? Opportunities to place an ad in our Ice Show Program or sponsor one of the programs in the Ice Show are available. Kathryn Bulko, Advertising and Sponsorship Chair for the Ice Show will be putting together a sponsorship package, contact Kathryn via the club office for more information. Your support is greatly appreciated.
